Celebrating 60 Years of Golf on Lopez Island

... and the future looks bright!

Crew's Revenge Twilight: August 5

Story by Jodie Snapp, Photos by Whitney White

Water hazards on 7, no flags, pin cup rings and beer cans on the greens. This was the golf game inspired by the crew's wanting to mess with the standards. Teams were able to select their own members and had to come up with a name. Little did they know the prizes were mostly made up of bits and pieces of golf paraphernalia left by Jerry Aaron, or more correctly Nancy Vert's clean-out of Jerry's storage. (We don't want any of these back please.) The winning team of

Bob Gerfy, Joyce Kruithof, Mike Summers and Roy Paswaters with a score of 34 won the new Trophy: a genuine piece of the #1 fairway

complete with instructions on how to care for this valuable piece of real estate for the year, including watering, fertilizing and cutting instructions.

We also raised \$495 towards the equipment fund. Thank you to all participants for their willingness to let the crew have a little fun.

August 19th Twilight

Grill-It-Yourself BBQ and baked potato bar on August 19 hosted by Barbara Reiswig and Deanna Carpenter lured 40 golfers to our last Twilight Golf event of 2018. Winners of the three KPs: Tracey Locke, Chris Bangsund, Pat Goodfellow, Jim Smith and Dan Myers winning two.

First place team with a score of 33 included Jim Smith, Dodie Schiessl, Bob Hall and Rick Locke.

Three teams tied for second place at 35.

Catching up on a Twilight from July

On July 8 Bill and Carole White with Michael and Janine Summers co-hosted the Twilight. A sumptuous dinner of Spiral Cut Ham, Potato Salad, Coleslaw, Dinner Rolls and Rhubarb Crisp followed the scramble. Forty players vied for the top prizes and we had ties for both 2nd and 3rd places. Mike, ever loquacious, penned this poem:

Another fun Sunday afternoon at the club,

**Our foursome ready, we
will not dub.**

**Swing away team, have
no fear,**

**After this nine, a nice
cold beer.**

**Working hard, counting
all our shots,**

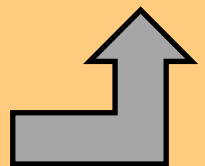

**Making every putt, we
are really hot.**

We tied for third, we did not win,

But we had fun, these two women and two men.

Parting Shots...

A photograph of two men on a golf course. One man in a grey shirt and dark pants is in the foreground, bent over and putting a golf ball. The other man in a pink shirt and dark pants stands further back, watching. They are on a well-maintained green with a netted practice area and trees in the background.

When you're the Governor and you are on vacation, where else would you go to play a round of golf but Lopez Island Golf Club! Governor Jay Inslee and his brother Frank Inslee, Jr. came out to enjoy a round of golf on Monday August 27. They both agreed the course was in the best shape they could ever remember. They also came with a request, to plant a memorial tree for their father Frank Inslee, who was a long time member of the club.
