Celebrating 60 Years of Golf on Lopez Island

A Taste of Golf

On July 15, the Women's Golf Association hosted an afternoon of free golf for Lopez Women. This second year of the Taste of Golf event was attended by local women

looking to try out golf and or get out and play on a local course. Two new trial members came by way of this event. Members of the Women's Association provided partners and in some cases lessons and pointers for novice golfers. Two days after the event one member and a few of the participants met at the club for another round and another chance to try just a taste of golf.

A Taste of Golf

To the right, New Trial Member Pixie Eslinger takes some pointers on putting with Chris Bangsund. Below New Trial Member Jody Southard heads out with this foursome to enjoy a round of nine.

Women's Association

On Tuesday, July 17 six of us went to San Juan Golf Club for their annual Women's Field Day. Interesting game, excellent Mexican food and a good time! A tiny bit of money was won by Ruthie, Carole, Lauren and Joyce. Thank you to Jamie for taking some of us home on a fast boat and to Carole for hauling our clubs back on a slow ferry.

July 22 Light Bag Scramble

July Work Day

Thank you , to all the Work Day Crew, for all you do on the course, in the clubhouse and around the buildings. Workers can be found far and wide, doing a variety of tasks usually very cheerfully. A good lunch is not the only reward as these folks continue to beautify and improve our club.

Parting Shots...

Our last hole today (Men's Day 7/26/28). Roy's errant drive on 18 left him in this impossible position on the second fairway. Nevertheless, Roy grabbed his 6 iron, shot the gap between the two large trees in the foreground, went OVER the tree in the far background (which is the tall tree on the east edge of the pond) and landed it pin high just off the west edge of the #18 green. I was there. I saw it. I certify it. Should be memorialized somehow. - Steve Kyser
