Celebrating 60 Years of Golf on Lopez Island

Lars displays fine technique in using the new greens roller on the 4th green. If it looks odd, that is because this machinery moves sideways. The roller was purchased with funds from the \$1 can. So come out and play a round soon and contribute to the fund.

# New Member and Memorial Party Continued

37 golfers participated in the annual new member event. This year's game was

a step aside scramble with each team getting 10 feet of string to be used for putts not taken. Winners of the KP on #17 were Nancy Lynch and Mike Summers. Closest to the smiley face sign on the number 18 fairway were Michelle Forster and Ron Metcalf. The team with the fewest putts (6) included Chris Bangsund, Eric Meng, Nancy Lynch and Bob Hall.

Bob Gerfy's team with Lauren Stephens, Beth Hughes and Brian Lynch had the lowest score of 28!

Lauren and Jamie Stephens were our hosts for a fabulous dinner prepared by the Galley. New members present were Dan Nou, Ruthie and Harold Van Doren, George Selg, Dusty Forster and Betty Fisher. We were also thrilled to welcome Dick Bangsund back into the fold. New members Bert Bates and Asha Lela played in the scramble but could not stay for dinner.

# June 24th<sup>7</sup> Stableford Twilight

OK, OK, OK.....never again! Well, some people liked it but the consensus was "too long between individual shots" and too much pressure for the higher handicapped people. Now I want you to know that the teams were divided up with equal number s of lower & higher handicaps so that every team had either 15 or 16 stableford dots. The 3 holes that had the highest scores were from 3 different teams!! So don't think you were alone in your misery. Even "good" players whiffed the balls and got their team members into trouble. Six of the nine teams had 9+ strokes on a hole, with holes # 4, 6 & 8 the only exceptions. Many of the high scores were on par 3's. I should have had an award for the saddest story!

The winners stood out! Nancy Lynch, Jeremy Levy, Ian Lange & Judy Whitney had a great night. Their gross was 47, net 32, 21 stableford points. They also had the fewest putts at 15 and sunk the longest putt on #4 at 16". That's 16 inches folks, not 16 feet! Again, our par 3's are killers.

Second place: Carole White, Brian Lynch, Perry Brown & Gary Hall. Gross 49, net 34, 19 stableford points.

Third place: Mary Brown, Dick Bangsund, Jinny Chin & John Coleman. Gross 50, net 35, 18 stableford points. John Coleman also won KP #3 on the 3rd shot at 20' for his team.

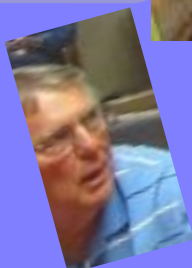

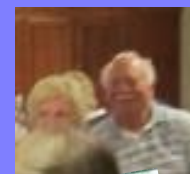

The teams drug themselves in with long faces to a Sloppy Joe slider dinner with wonderful sides provided by the players and carrot cake for dessert. I also cleaned out my liquor cabinet of misc things we don't drink. I noticed the Wild Turkey was empty at the end.....an indicator of how bad games were.

We also did the 50/50 draw this time and people were VERY hopeful buying \$196 worth of tickets. Barbara & Dick Reiswig won \$98! We also had a golfing plaque donated by John Oakley....Eric Meng won that!

If Dick & I do another twilight next year, you may all want to run for your lives :-)

Cheers, Chris

Either I missed your email or no one guessed who were these folks from the past. That is Roy Buzzard and Ilene Ward in this photo from 1981.

Here are two photos from when LIGC participated in the 4th of July parade. 1980 above and 1976 below.

## *Women's Association*

Ten Lopez women went to Orcas Island to play a scramble with the women there on June 26. Jinny and Lauren were on the winning team with a score of 76! Lauren also won a KP prize. The course was in better than usual shape but we still had to endure those slopy fairways! The ferries were on time.

# June Work Day

The workers on Work Day were so productive no one dropped their tools long enough to take pictures. However, evidence of their efforts is obvious everywhere.
