Tee Box Renovation Project

The grass is growing and it looks like our new tee box is on track for play as soon as July. It has received its

first cut and will continue to grow and improve. Donations to contribute to the project are still being accepted. Thank you to all the volunteers and their efforts towards this project.

May 2nd Twilight

Bob and Lynn Hall hosted our May 2nd Twilight with a potluck dinner that followed. No photos of the game exist but it was reported to be lively and the competitive spirit was high.

May 16th Twilight

The popular step aside scramble was the format for this Twilight golf game.

Not only did they have closest to the pin, but they also had the opportunity to score a hole-in-one in a bucket on number 5.

Some putts were better than others and some drives left much to the imagination. Overall, the teams worked together to bring low scores back to the clubhouse.

The Putting Challenge

At the end of the game and before dinner, each team was asked to send their best putter to the challenge. The ball was placed by Brian and the players all took a turn putting. Closest to the hole wins. Thinking he is funny, Brian puts Steve Billesbach's ball just off the green. Sure enough Steve was closest to the hole. Thank you to Nancy Lynch for a great spaghetti dinner.

May Work Day

May Work Day workers weeded, trimmed branches, washed windows, skimmed the pond, patched the net, weed whacked, cleaned the bunkers, removed garbage, mowed and more.

If you tend to lose your ball behind the number 5 green, your chances of retrieval just got better. These guys cleared out all the hardhack and removed some standing deadwood.

Carole and Bill White provided pork sliders, salad and dessert for the many hard workers who accomplished great tasks on Wednesday.

Your next opportunity to join work day is June 30th.

Congratulations

Parting shot... Found near the 5th fairway during work day by Mike Stevens who said it must have been “a very rare egg from a hook-billed Bridgestone.”
