# Course Report

We have started to fill dips around the course. If everyone could try to not drive carts and pick up your ball on these spots, it would be greatly appreciated. We would also like to keep the temporary tee boxes in place until the week before the Soggy Bottom Tournament (March 19) to allow grass to establish itself. Last but not least, if the greens are white, that means frost and we would love everyone to bump up your tee time until 11:00 or 12:00. Keeping an eye on #8 green as it is the last one to thaw out.

Thanks to all for your patience and a great year!

Have a wonderful holiday season. See you first of February.

Lars and Benni

**Jodie tries out a new desk for the winter season.**

## Last Work Day of 2016

# Women's Association

The Women's Association had a festive morning decorating the clubhouse for the Christmas Season. Snow or frost is the only thing keeping gals from their Tuesday morning round of golf.

## Christmas Party 2016

Eighteen holiday revelers arrived at the Club Christmas Party on December 8th to enjoy some Christmas Cheer! Thanks to the Women's Association and their fine decorating, the mood was set. We also got to meet the Halls' new Christmas puppy, who appeared to be straight out of the L.L. Bean catalogue .

# UPCOMING EVENTS
