# June Work Day

They did not just stand around smiling. These folks filled sand and seed buckets, filled divots on tee boxes, pulled weeds, raked bunkers, cleaned the locker barn, weed whacked and much more.

It is amazing what happens on the last Wednesday of the month. Our own golf community coming together for the good of the club. Or maybe it was all for the great lunch provided by...

...the masked lunch ladies, Nancy Vert and Nancy Lynch.

# Twilights are back....

7 teams competed in a multi-faceted game devised by Bob Gerfy for our 2020 inaugural Twilight Golf event. Entitled SIX FEET, there were prizes for low score, Stableford points and various games involving 6-foot distances. Each team had a 6' PVC measuring stick to assure accuracy. One winning team is featured here.

Thanks also to Chris Bangsund for dinner prep of Papa John's pizzas, salad and homemade carrot cake.

**Dennis Egan scored 50 points for his team by hitting his drive within 6 feet of the SMILEY FACE.**

# Parting shot...

12 year old Joshua Walker, Steve Bryson's grandson, made great use of his Junior Membership by getting a **Hole-in-One** on number 8 with his 5 wood "Clutch" on June 11th.

Congratulations, Joshua!
