Newsletter

I'd like to say thank you for all the positive feedback I've received over the last 5 years of doing the newsletter. It has been a good run and I've enjoyed the creativeness of it. It is time, however, for me to pass the baton and my hope is that someone will step up to the plate and take the newsletter on. I'm happy to finish out the year and am looking forward to doing other things for the LIGC next year.

Respectfully, Chris Bangsund

October Workday

October was a rainy last day of the season work day. As usual, faithful Beth Hughes tended dead heading and weeding where needed.

The burn pile was finally burned (it was humungous) and the drizzly sky plus lack of wind made this safer than it might have been. A huge thank you is in order to those brave souls who showed up on this rather gloomy day.

Judy Whitney and Miki Straughan prepared and served lunch to a slightly damp but cheerful crew.

AND.... No, Larry Whitney did not paint Barbara Reiswig's red jacket despite what he might claim!

Pub Night Oct 30th

Watching the World Series

A few of us gathered for a first Pub Night at the clubhouse to enjoy ping pong, darts, food, the World Series game and good conversation. Carole White brought a salad and made real popcorn. Bob & Joyce brought pizzas. Bruce brought chips and salsa. We had a Washington State Banquet Permit that allowed us to bring our own beverages.

Steve Kyser purchased some new ping pong paddles. Jodie donated the dart board, which used to hang in the Lower Tavern on Orcas. Turns out the ping pong table Bob bought at a yard sale for \$150 sells new for \$800. What a bargain!

Our new TV now has an HD Direct TV box and looks great. Bill White built a sturdy TV table so the picture is high enough to be seen at a distance. The TV does not have a very high volume. Does anyone have an amplifier???

Some of us think we should do this maybe once a month or so. Maybe we should have a special can and make personal donations every time we do these.

Rainbow

Taken 10/29/15 men's day.

Rainbow started on fairway #2, looped over 6 and came down on #5, where everyone in the 3some birdied the hole. (not real sure about that last part but the rest is true).

Thanksgiving at the club

What a nice evening the 15 of us had at the club. Bob Gerfy & Chris Bangsund did the turkeys and everyone else contributed for the remainder of the meal. A few played ping pong. Many kept track of the football games and of course Gretchen came all decked out in her "Packer" attire. Bob even brought special for Gretch some peas & corn to go along with her attire.

It was a fun and relaxing evening and great to sit and catch up with each others' lives.
